# CertainTeed

SAINT-GOBAIN

Quality made certain. Satisfaction guaranteed.™

CertainTeed is the #1 rated shingle manufacturer for Quality and Customer Satisfaction. CertainTeed is also a leading North American manufacturer of building materials including roofing, vinyl siding, trim, fence, railing, decking, insulation, gypsum, and ceilings products. Headquartered in Valley Forge, Pennsylvania, CertainTeed has approximately 6,000 employees and 65 facilities throughout the United States and Canada. Through its Vision, Mission, Values and Objectives (VMVO) initiative, CertainTeed strives to be the preferred choice for innovative building products and systems by delivering a superior Customer experience to a broader market through the development of exceptional team performance and world-class processes.

CertainTeed is a subsidiary of Saint-Gobain, one of the top 100 industrial companies in the world. Saint-Gobain employs approximately 15,000 people in North America and approximately 180,000 people in 67 countries world-wide. Saint-Gobain's North American companies operate 150 manufacturing facilities in industries as diverse as industrial ceramics and containers, reinforcements and flat glass, abrasives, and building materials.

## Company History

In 1904, George M. Brown, a young entrepreneur in East St. Louis, Illinois, started the General Roofing Manufacturing Company. A manufacturer of roofing products, it was the predecessor of today's CertainTeed Corporation. As General Roofing's reputation for quality and service grew, so did the company. In 1988, CertainTeed became a wholly owned subsidiary of Saint-Gobain. Renowned for its expertise in glass technology, Saint-Gobain is the world's largest building materials company.

**Today, with the full support of Saint-Gobain, CertainTeed's financial and technological resources are stronger than ever.**

## A superior roof is stronger than the sum of its parts

A quality roofing system requires that the underlayments, shingles, accessory products, and ventilation work together in a cohesive system. Day after day, year after year.

## At CertainTeed, it's called the Integrity Roof System

The Integrity Roof System™ is designed to provide optimum performance — no matter how bad weather conditions are. Better quality shingles mean longer-lasting roofs. Add in underlayment and accessory products, and you've got a roof system that really works!

When you choose an Integrity Roof System you gain the advantage of having CertainTeed as your sole manufacturing source to stand behind its roof system components.

### 1 Underlayment

*Roofers' Select®*, *Diamond Deck®*

High-performance underlayment provides a protective water-resistant layer over the roof deck and a secondary barrier against leaks.

### 2 Waterproofing Underlayment

*WinterGuard®*

Waterproofing shingle underlayment prevents leaks from wind-driven rain and ice dams in vulnerable areas.

### 3 Starter Shingles

*Swiftstart®*

Starter shingles are designed to work specifically with every type of CertainTeed shingle for maximum performance.

### 4 Shingles

*Landmark™*, *Landmark™ Pro*, *Belmont®*, *Grand Manor®*, *Highland Slate®*, *Presidential Shake® TL*

High-quality shingles available in a wide variety of styles and colors, covered by the strongest warranty in the business.

### 5 Ventilation

*CertainTeed® Ridge Vent*

Provides evenly distributed ventilation along the entire underside of the roof. Slim design for visual appeal that provides a higher volume of airflow per square foot of attic area than any other fixed-vent system.

### 6 Hip & Ridge Accessories

*Shadow Ridge®*, *Shangle Ridge®*, *Decar Crest®*

Accessory shingles are used to finish the hips and ridges of the roof and are designed to complement the appearance of all CertainTeed shingles.

# Is Your Home Protected?

The average lifespan of a roof in Ontario is about 20 years.

With weather becoming more of an issue to Canadian homeowners, many are looking for solutions to damage caused by hurricane-like wind storms and other bizarre, often violent weather.

Recent years have brought a stunning series of extreme weather events to North America: two record heat waves, a historic drought, above-average destructive wildfires, and two powerful hurricanes that slammed into the East Coast.

**In 2012, Canada experienced the most extreme year for weather ever recorded, according to several studies.**

In 2011, a wind storm that ripped through Southern Ontario caused two fatalities and injured dozens of people, as well as causing severe damage to many homes. Wind speeds were recorded at up to 124km/hr in some areas.

**Your roof's warranty is more important now than ever before. Are you covered? Find out below!**

**CertainTeed's SureStart™ Plus warranty can give you peace of mind.**

The extra measure of protection when a credentialed company installs an Integrity Roof System™

**Upgraded 130 mph Wind Warranty Available<sup>‡</sup> Extended Transferable Coverage<sup>£</sup>**

	3-STAR Coverage 20 years	4-STAR Coverage 50 years*	5-STAR Coverage 50 years**
<b>Lifetime Shingles</b>			
Non-Prorated Coverage	✓	✓	✓
Materials and Labor	✓	✓	✓
Tear-off	✓	✓	✓
Disposal		✓	✓***

**NOTE: XT™25, XT™30 and Patriot shingles carry 10 years with 3-STAR, 20 years with 4-STAR and 25 years with 5-STAR coverage including the features as indicated above.**

SureStart PLUS extends the duration and coverage of standard SureStart™ protection for the installed CertainTeed roofing products. For all other warranty features refer to CertainTeed's Limited Asphalt Shingle Warranty in place at the time your shingles were installed (obtain a copy by calling 800-782-8777 or visit [www.certainteed.com](http://www.certainteed.com)).

**‡ 130 mph wind warranty** available on lifetime products when special application methods are used.

**£ Fully transferable for** 10 years with 3-STAR Coverage, 12 years with 4-STAR Coverage, and 15 years with 5-STAR Coverage; refer to CertainTeed's limited warranty for details on transfers.

\* Applies to single-family detached houses. Duration for all other types of structures is limited to 25 years.

\*\* Applies to single-family detached houses. Duration for all other types of structures is limited to 30 years.

\*\*\* Workmanship is covered for 25 years.

**Flat Roof Sections:** If a CertainTeed Flintlastic roof system is part of the job, up to 10 squares will be covered for 12, 15 or 20 years depending upon the specific system installed.

<b>Any shingles applied to any inadequately ventilated roof deck</b>	10 years <sup>†</sup>	N/A	N/A	N/A	1/120

<sup>A</sup> The Lifetime Warranty period is only available to individual homeowners. The warranty period for these shingles, installed on premises not used by individual homeowners as their residence, is limited to 40 years. The SureStart period is 5 years following the installation of the shingles. Limited Warranty transferees during the SureStart period are limited to a 40-year warranty period (see full warranty for details).

<sup>B</sup> The Lifetime Warranty period is only available to individual homeowners. The warranty period for these shingles installed on premises not used by individual homeowners as their residence is limited to 40 years and the SureStart period is 5 years following the installation of the shingles. Limited Warranty transferees during the SureStart period are limited to a 40-year warranty period (see full warranty for details).

\* For Lifetime products, at the completion of the 40th year the reduction figure will remain at 480/600, or 20% of the total maximum liability.

<sup>†</sup> For details of warranty coverage for shingles installed on inadequately ventilated roof decks on both residential and commercial buildings, see provisions in full warranty under "Inadequately Ventilated and Non-ventilated Decks."

<sup>††</sup> Wind warranty upgrade - these products are warranted to resist blow-off due to wind velocities, including gusts, up to a maximum of 130 miles per hour during the first fifteen (15) years, provided certain conditions are met. For more information, please review the full warranty.

<sup>1</sup> Algae Resistant Warranty period applies only to the Algae Resistant (AR) version of the pertinent shingle.
