**GAF**

# Lifetime Roofing System

**ONLY FROM GAF!**

Now, when you install any GAF Lifetime Shingle, you'll automatically get:

- A Lifetime limited warranty on your shingles and all qualifying GAF accessories!\*
- Non-prorated coverage for the first 10 years!\*\*

## Lifetime Shingles

GAF offers you many great choices of Lifetime, Shingles including **Timberline®** Shingles with Advanced Protection® Technology. They're the #1-selling shingles in North America!

Advanced Protection® Technology results in superior protection for your home, while reducing the use of precious natural resources. That's better for your home – and better for the environment!

To learn more about why Advanced Protection® Shingles are your best choice, visit [www.gaf.com/aps](http://www.gaf.com/aps).

## Attic Ventilation

Helps remove excess heat and moisture from your attic that can raise your energy bills, cause premature peeling of interior paint and wallpaper, and even affect your health.

**Roof Louvers**

## Ridge Cap Shingles

Enhances the beauty and value of your home - while guarding against leaks at the hips and ridges.

## Roof Deck Protection

Allows moisture to escape from your attic while providing an exceptionally strong layer of protection against wind-driven rain. Also, lays flatter for a better-looking roof.

## Starter Strip Shingles

Saves time, eliminates waste and reduces the risk of blow-off, and may even help qualify for upgraded wind warranty coverage (see Shingle & Accessory Ltd. Warranty for details.)

## Leak Barrier

Provides exceptional protection against leaks caused roof settling and extreme weather. The ideal upgrade on all vulnerable areas (including at the eaves in the North).

\* See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word "lifetime" means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting above criteria, Lifetime coverage is not applicable. Lifetime Ltd. Warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

\*\* On your Lifetime Shingles and qualifying GAF accessories.

The Good Housekeeping Seal has been reassuring consumers about their product-purchasing decisions for over 100 years. GAF is the only shingle manufacturer to be granted this seal.

**4** Dura Grip™ Adhesive is 70% stronger than other shingle adhesives on the market

YouTube /gafroofing

GAF shingles are 5% cooler (5-8 degrees)

- 1 Granules**  
**Diamond Cut™ Granules**  
 Multi-faceted design and light-reflective construction add dimension and depth to the shingle.  
**UV Blocker**  
 Protects against damaging sunlight, which improves the durability and extends the life of the shingle.  
**Color Lock™ Ceramic Firing**  
 Maintains the true color of the shingle longer.
- 2 Asphalt**  
**SpecSelect Grading System**  
 Use of finest-quality asphalt improves weathering in harsh conditions.  
 Advanced process control allows us to optimize the critical top layer for superior long-term performance against severe weather.
- 3 Fiberglass Mat**  
**Micro Weave™ Core**  
 Offers a superior-strength foundation that resists cracking and splitting.  
**FiberTech™ Components**  
 Incorporates non-combustible fibers into the core, providing a UL Class A fire rating.  
**Fiberglass Mat**  
 The heart of the shingle, low-profile technology includes a proprietary orientation of glass fibers, for maximum strength and durability.
- 4 Dura Grip**  
**Dura Grip™ Adhesive**  
 70% stronger than other adhesives Dura Grip™ locks the shingles in place on the roof, gripping tight even in gale-force winds. Proprietary Dura Grip™ Adhesive locks shingles tightly in place.  
 Allows every GAF shingle to pass the industry's two toughest wind tests (ASTM D3161, Class F, 110 mph and D7158, Class H, 150 mph)

We protect what matters most™

# Celebrating 130 Years of Innovation!

A LONG HISTORY  
OF INDUSTRY  
**INNOVATION**  
HAS MADE US  
THE WORLD'S

We protect what matters most™

# Is Your Home Protected?

The average lifespan of a roof in Ontario is about 20 years.

With weather becoming more of an issue to Canadian homeowners, many are looking for solutions to damage caused by hurricane-like wind storms and other bizarre, often violent weather.

Recent years have brought a stunning series of extreme weather events to North America: two record heat waves, a historic drought, above-average destructive wildfires, and two powerful hurricanes that slammed into the East Coast.

**In 2012, Canada experienced the most extreme year for weather ever recorded, according to several studies.**

In 2011, a wind storm that ripped through Southern Ontario caused two fatalities and injured dozens of people, as well as causing severe damage to many homes. Wind speeds were recorded at up to 124km/hr in some areas.

**Your roof's warranty is more important now than ever before. Are you covered? Find out below!**

## Ltd. Warranty Comparison Guide\*

Material Defect Coverage			
Warranty Level	 <b>Base</b>	 <b>Better</b>	 <b>Best</b>
100% Coverage Period	<b>10 Years</b> (3 or 5 years on 3-tab shingles)	<b>50 Years</b> (20 years on 3-tab shingles)	<b>50 Years</b> (20 years on 3-tab shingles)

"Maximum" wind coverage up to 130 mph Category 3 hurricane wind speed available?	<b>Yes</b> (Not available for 3-tab shingles)	<b>Yes</b> (Not available for 3-tab shingles)	<b>Yes</b> (Not available for 3-tab shingles)
Warranty transferable?	<b>Yes</b>	<b>Yes</b>	<b>Yes</b>
Free transfer?	<b>Yes</b>	<b>Yes</b>	<b>Yes</b>

\* Check Ltd. warranties for complete coverage and restrictions. Also note: • The word "Lifetime" means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles are installed. For owners/structures (e.g., a church) not meeting above criteria, Lifetime coverage is not applicable. See limited warranty for complete coverage and restrictions. • Installer certification is only for installations covered by GAF system warranties. • Maximum wind coverage requires special installation. See limited warranty for complete coverage and restrictions.
